DAVIDSON COLLEGE.

DAVIDSON COLLEGE is in Mecklenburg County, North Carolina. It is twenty-three miles north of Charlotte and twenty-four miles south of Statesville; and, being immediately on the line of "The Atlantic, Tennessee, and Ohio Rail-road," is of ready and comfortable access at all times. Its buildings contain spacious Chapels, Society-halls, and Lecture-rooms, together with pleasant dormitories sufficient for a large number of students. Its Libraries, Cabinets, and Apparatus are well provided for, and are constantly receiving accessions; so that the means for securing a liberal education at Davidson College are surpassed by few institutions in our country. The site of the College and of the adjacent village is remarkably healthy, being free from malaria and other local causes of sickness. The adjacent counties are so thickly settled with a population widely and honorably known for its intelligence, morality, and thriftiness, that the means of living at the College are cheap and abundant, and temptations to students to form vicious or extravagant habits are comparatively few.

Although the College was organized and is controlled by Presbyterians, the instruction is not sectarian, but such as can be freely and equally offered to all students of good moral character and of proper mental qualifications. The institution was chartered "to educate youth of all classes, without regard to the distinction of religious denominations, and thereby promote the more general diffusion of knowledge and virtue;" and its founders have frequently and publicly declared that their design was "to extend the blessings of a Liberal Education to all classes of the community prepared to enjoy them."

TERMS OF ADMISSION.

—:O:—

No one will be admitted as a Student of the College without producing testimonials of good moral character, and also a certificate of honorable dismissal from the last school or college which he has attended.

CANDIDATES FOR THE FRESHMAN CLASS are examined on the following books and subjects, viz. :

English. Grammar, Modern Geography.

Latin. Grammar (Bingham's preferred); four books of Caesar's Gallic War; six books of Virgil's *Æneid*, with Prosody; Cicero's Orations against Catiline; Sallust's Jugurthine War; Ancient Geography.

Greek. Grammar; Reader; first two books of Xenophon's *Anabasis*.

Mathematics. Arithmetic; Algebra, to equations of the second degree.

ADVANCED STANDING.—All candidates for advanced standing, whether from other colleges or not, in addition to the preparatory studies, are examined on those previously pursued by the classes which they propose to enter. Resident Graduates may at any time avail themselves of the advantages of the College without any charge for tuition.

AGE.—No one can ordinarily be admitted to the Freshman Class till he has completed his fourteenth year, nor to an advanced standing without a proportional increase of age.

All college dues for the term must be paid in advance.

On entrance, each Student will be required to give a Pledge of Honor faithfully to observe and obey all the laws and regulations of the College while he continues a member of it.

—:—

There is no Preparatory Department connected with the Institution; but the Faculty are at no loss in designating good schools to those who are found not prepared to enter College.

CLASSICAL COURSE OF INSTRUCTION.

SCIENTIFIC COURSE OF INSTRUCTION.

This Course occupies Three Years and embraces all that is in the Classical Course, except the Latin and Greek Languages, together with some studies peculiar to itself. The Scientific Students and Classical Students recite together whenever their studies are the same, and they have the same number of recitations a week. At the end of this course, students, if their examinations have been approved, receive the degree of Bachelor of Science.

The requisites for admission to this Course are the same as for the Classical Course, with the exception of the Ancient Languages. The order of Studies is as follows :

FIRST YEAR: The Bible.

English Grammar, Trench, Hart, Algebra, and Geometry, with the FRESHMAN CLASS.

English Literature, Logic, Hart, and French, with the SOPHOMORE CLASS.

Botany, Physiology, Higher Arithmetic.

SECOND YEAR: The Bible.

Geometry, Trigonometry and its Applications, with the SOPHOMORE CLASS.

Evidences of Christianity, Rhetoric, Political Economy, Physics, and general Chemistry, with the JUNIOR CLASS.

THIRD YEAR: The Bible.

Analytical Geometry, Differential and Integral Calculus, with the JUNIOR CLASS.

Constitutional and International Law, Physics, Logic, Psychology, Ethics, Astronomy, Practical Chemistry, Mineralogy, and Geology, with the SENIOR CLASS.

Declamation and English Composition throughout the entire Course.

ECLECTIC COURSE OF INSTRUCTION.

Students not wishing to take a regular course, but to acquire a knowledge of particular branches, may be permitted to do so at the discretion of the Faculty; but they will be subject to the same laws and regulations of the College as regular students.

MODES AND MEANS OF INSTRUCTION.

Well approved Text-books, are constantly used in all the departments of the College, and Lectures on various subjects connected with the Course of Instruction are delivered to the students, according to the judgment of the Professors. The students are examined on the Lectures as well as on the Text-books.

The Apparatus for illustrating the facts and laws of Natural Philosophy and Astronomy has been well selected, and will constantly receive such additions as Science demands.

In the Department of Chemistry, Geology, and Natural History, there are convenient and well filled Laboratories and excellent Cabinets of Minerals, Fossils, and Modern Shells; and these are all used freely in the course of instruction. Chemistry is taught in theory and in practice; and in Mineralogy and Geology, great care is taken to make the Students familiar with the minerals and fossils discussed.

EXAMINATIONS.

Every Student is examined publicly at the close of the first term on the studies of that term, and at the close of the second term on all the studies of the year. These Examinations are in writing, and determine to a great extent the rank in scholarship assigned to each student in the term reports, which are sent to parents and guardians.

THE ROCKWELL PRIZE.

This Prize is offered annually to the Sophomore Class for excellence in Latin scholarship. An Umpire or a Committee, appointed by the Faculty, shall make the award for the best paper prepared at a competitive examination, which shall be in writing. The Prize shall be delivered on Commencement day by the Chairman of the Faculty.

SOCIETIES.

There are in connection with the College two Literary Societies, the PHILANTHROPIC and the EUMENEAN. Their Halls are large and elegantly furnished, and their Libraries are well selected.

THE WILLIAMS ASSOCIATION OF INQUIRY was named in honor of Rev. EDWIN WILLIAMS, a missionary to Africa, who was prominent in its organization. The design of this Association is to assist in benevolent and religious labors at and around Davidson College, and to maintain among the Students a special interest in the spread of the Gospel throughout the World.

RELIGIOUS SERVICES.

The clerical members of the Faculty preach on the Sabbath, and superintend the administration of all the ordinances of the Church in the College Chapel. Every student, while at the College, is required to attend public worship on Sunday morning, and to be present at the daily morning and evening prayers. He is also required to attend the instructions in the Holy Scriptures, with which his class begins the studies of each week.

EXPENSES.

The Collegiate Year is divided into Two Terms. The Ordinary Expenses for each of these terms are as follows:

	FIRST TERM.	SECOND TERM.
Tuition	\$20	\$30
Room-rent	6	9
Servant's hire	4	6
Contingencies	2	3
Total	\$32	\$48

Board can be obtained at the Steward's Hall and in the village at from \$10 to \$15 a month.

Students can board themselves in "Clubs" at about \$8 a month.

Each student must pay for Tuition, Room-rent, Servant's hire, and Contingencies, as soon as he joins College.

Wood can be bought for \$2 a cord. Washing will cost \$1, or \$1.50 a month, and Light about \$3 a year. Text-books can be obtained at the retail prices of their publishers.

The whole of the ordinary College Expenses for one year exclusive of clothing, travelling expenses, and pocket money, is estimated to vary from \$200 to \$230. Parents and guardians are earnestly requested not to furnish more money than is strictly necessary, as any amount beyond this will not contribute either to the real comfort or to the respectability of the Student.

Candidates for the Ministry are not required to pay for tuition while under the care of some Presbytery.

The Bursar of the College will take charge of money intended for any Student, and expend it according to the direction of his Parent or Guardian.

RECENT DONATIONS TO THE CABINET AND LIBRARY.

—:—

Rev. E. F. ROCKWELL. A vertebra of Zeuglodon, a fine mass of Pseudomorphous Quartz, and other minerals.

ELLIS COCKE, Esq. Specimens of Tennessee Marble.

T. FRANK BROWN, Esq. A very large vertebra of Zeuglodon.

Prof. W. C. KERR. A box of N. C. Miocene and Marine Shells.

Mrs. MARY MCPHAIL. The entire private Cabinet of Minerals belonging to the late President G. W. MCPHAIL, D. D., LL. D.

J. R. DAVIDSON and R. B. CUTBERT, Esqs. A box of Fossils from the Phosphate beds on the Asbly River, S. C.

Mr. R. M. DAVIS. Flexible Sandstone from Linnville Mountain.
